

HUB712 PARTNERSHIP OPPORTUNITIES

A NEW WAY TO FOSTER VIBRANT
ECONOMIC DEVELOPMENT IN
OUR COMMUNITY

OUR STRATEGIC APPROACH

Hub712 will offer a robust set of services to help new businesses launch and existing businesses grow. Part coworking space, part business resource center, and part innovation hub, this new facility is key to our expanded approach to economic development in Carroll.

Coworking Plans

- We'll offer affordable, high-quality, flexible workspace to house new and existing businesses and remote workers.

Innovation Services

- Our proprietary processes help companies, schools, and communities engage stakeholders and leverage innovation to create new value.

Team Building Activities

- Fun, hands-on activities designed to help business teams think differently. Short 30-60 minute sprints or full-day experiences available.

Entrepreneurial programming

- Personalized and on-demand business coaching, peer learning opportunities, and access to industry experts for business owners.

Meeting Space Rentals

- Inspiring off-site meeting spaces that companies and groups can rent by the half-day or full-day, because changing where you stand usually changes what you see.

PARTNERSHIP OPPORTUNITIES

As a partner in Hub712, you receive recognition in the facility, plus the satisfaction of helping new businesses launch and existing businesses grow.

Banking/Insurance Partner - \$10,000/year; 3 year pledge

You'll be recognized as the official banking or insurance partner of Hub712! You'll have the opportunity to use the space to feature your products and services through informational seminars and workshops for businesses in the community. Your logo will be placed in a prominent location within Hub712 so everyone that uses the space knows you're invested in innovation for your company and the community.

Innovation Space Partner - \$8,000/year; 3 year pledge

You get an off-site innovation space within our facility! Your teams can reserve the space anytime to work on their next great ideas! You'll also get to brand the interior and exterior of the space however you want, so everyone that uses the space knows you're invested in innovation for your company and the community. Your innovation space will comfortably seat 12-16 people, depending on table arrangement. 1 Available.

Hospitality Partner - \$2,400

Help every visitor have a great experience as our hospitality station partner. The hospitality station provides complimentary coffee and tea to the businesses using our space (we all know caffeine improves bottom lines). Your name & logo will be recognized through highly visible signage at the station and you have the option to stock the station with branded coffee mugs and to-go cups as a way to increase your brand awareness.

WiFi Partner - \$1,200

Fast wireless internet is the lifeblood of Hub712 and we make sure to offer fast speeds. Your business name is featured in the network name as our WiFi partner so everyone knows you're powering their connections.
